198. In the event the Investors and / or TVS or any of them decide to exercise the Tag Along Right, such Investor(s) and / or TVS shall deliver a written notice of such election to the Founder Promoter Family (the “**Tag Along Response**”) within 30 (thirty) days of the receipt of the Offer Notice (“**Offer Period**”) specifying the number of Tag Along Shares with respect to which such Investor and /or TVS it has elected to exercise its Tag Along Right.

200. ISSUANCE OF NEW EQUITY SECURITIES, PRE-EMPTIVE RIGHT AND ANTI-DILUTION

204. **Pre-emptive Rights**
- (a) The Company shall not issue any Equity Securities:
- (i) to a Restricted Person or a Competitor without the prior written consent of the Qualifying Investors; or
 - (ii) below any Investor Entry Price (as adjusted for splits, bonuses and rights issues) unless it has received prior written consent of such Qualifying Investor whose Investor Entry Price is higher than the effective price at which the New Issuance is proposed to be made, except for any New Issuance that is required to meet any regulatory capital requirements applicable to the Company, which shall not be subject to such a restriction.
- (b) In the event the Company is desirous of issuing any new Equity Securities (including by way of a private placement or a rights issue) (“**New Issuance**”) in favour of any Shareholder(s) or any other Person (“**Subscriber**”), it shall offer each of the Investors and the Founder Promoter Family, the right to maintain their respective Proportionate Shareholding (upon payment of Issuance Price) as calculated immediately prior to such New Issuance through

pre-emptive right of subscription (“**Pre-Emptive Right**”) with respect to the New Issuance on the terms set out in this Article 204. The Investors and Founder Promoter Family shall have the right but not the obligation to subscribe to any or all of the Equity Securities and/ or preference shares so offered to the Investors (either by themselves or through any of their respective Affiliates) and the Founder Promoter Family, respectively. Promoter 1 shall not have the right to transfer his Pre-Emptive Right under this Article 204 to any Family Member.

- (c) The Pre-emptive Right shall be offered by the Company by issuing a written notice to the Investors and Founder Promoter Family (the “**Pre-emptive Notice**”), setting forth in detail the terms of the proposed New Issuance, the price at which the Company proposes to make the proposed New Issuance (the “**Issuance Price**”), the date of closing of the proposed New Issuance (which shall not be less than 30 (thirty) Business Days from the date of receipt of the Pre-emptive Notice by the Investors and/or the Founder Promoter Family, as the case may be) (the “**Pre-emptive Closing Date**”), the identity of the Subscriber and the number of Equity Securities proposed to be issued (the “**Issuance Securities**”).
- (d) If any Investor or any Promoter wishes to exercise its Pre-emptive Right, then within 30 (thirty) days from the date of receipt of the Pre-emptive Notice, it shall give written notice to the Company setting forth the maximum number of Issuance Securities to which it wishes to subscribe at the Issuance Price and on the terms and conditions set out in the Pre-emptive Notice (an “**Exercise Notice**”). For the avoidance of doubt NVP shall have the right to provide a conditional Exercise Notice, requiring the Company to issue the Issuance Securities in a manner such that NVP’s shareholding in the Company does not exceed 33.32% (thirty three point three two percent) of the total equity of the Company (as such term is defined and used, and as such percentage is calculated, under the BHC Act), at any point in time, whether on account of other Investors not electing to or failing to subscribe to securities offered pursuant to this Article 204 or otherwise
- (e) To the extent any of the Investors or Founder Promoter Family fail to or elect not to subscribe to the Equity Securities offered by the Company pursuant to this Article 204 (the “**Excess Issuance Securities**”), the other Investors and the Founder Promoter Family (provided that such Investors and the Founder Promoter Family have subscribed to their pro rata proportion of the Equity Securities offered by the Company pursuant to this Article 204) shall have the right to subscribe to their respective pro rata entitlement to the Excess Issuance Securities (determined based on the number of Equity Securities held by such Investor or Founder Promoter Family on a Fully Diluted Basis as a percentage of the total number of Equity Securities held by all Shareholders subscribing to the Excess Issuance Securities).
- (f) On the Pre-emptive Closing Date, each Investor and each Promoter that has delivered an Exercise Notice within the period set forth in Article 204(d) shall subscribe at the Issuance Price and on the terms and conditions set out in the Pre-emptive Notice, and the Company shall, upon receipt of the Issuance Price, allocate the Issuance Securities for issuance to such Investors and Founder Promoter Family on the Pre-emptive Closing Date in the following

order:

- (i) firstly, to each such Investor and Founder Promoter Family, a number of Issuance Securities equal to the lesser of:
 - a. the maximum number of Issuance Securities specified in such Investor's or Promoter's Exercise Notice; and
 - b. such Investor's or Promoter's pro rata entitlement of the Issuance Securities;

- (ii) secondly, to each such Investor and Founder Promoter Family that indicated on its Exercise Notice that it would subscribe for Excess Issuance Securities, a number of Issuance Securities equal to the lesser of:
 - a. the maximum number of Issuance Securities specified in such Investor's or Promoter's Exercise Notice (which includes the details of the Excess Issuance Securities) (less any Issuance Securities allocated for issuance to them under Article 204(f)(i)(a)); and
 - b. a pro rata portion of the Excess Issuance Securities calculated based on the number of Equity Shares held by such Investor or Founder Promoter Family as a percentage of the total number of Equity Shares held by all Investors and Founder Promoter Family that indicated on their Exercise Notice that they would subscribe for Excess Issuance Securities (and whose application for Excess Issuance Securities remains unfulfilled),

provided that if any Excess Issuance Securities remain unallocated for issuance following the operation of Article 204(f)(i) then this Article 204(f)(ii) shall operate on a repeated basis (in relation to the Investors and Founder Promoter Family that indicated on their Exercise Notice that they would subscribe for Excess Issuance Securities and whose application for Excess Issuance Securities remains unfulfilled) until such time as either (a) all applications for Excess Issuance Securities by the Investors and Founder Promoter Family have been met in full, or (b) all such Excess Issuance Securities have been allocated for issuance, whichever is earlier.

- (iii) Notwithstanding anything to the contrary contained in Article 204, if NVP has issued a conditional Exercise Notice in accordance with Article 204(d), the Company shall not allocate nor issue any Issuance Securities to NVP, in a manner that results in NVP's shareholding in the Company exceeding 33.32% (thirty three point three two percent) of the total equity of the Company (as such term is defined and used, and as such percentage is calculated, under the BHC Act) at any time and any Issuance Price, paid by NVP for Issuance Securities in excess of such 33.32% (thirty three point three two percent) of the total equity of the Company shall be refunded by the Company in full, within 7 (seven) days after the Pre-emptive Rights Closing Date or written notice by NVP, whichever is earlier. The Issuance Price

paid by NVP shall be considered as 'share application money' and shall be held by the Company in a separate account until the Pre-Emptive Closing Date to enable the refund of such amount to NVP in accordance with Article 204(f)(iii).

- (iv) notwithstanding anything to the contrary contained in this Article 204, any subscription of Excess Issuance Securities by any Investor resulting in its shareholding percentage being equal to or in excess of 25% (twenty five percent) of the Share Capital of the Company on a Fully Diluted Basis, ("**Shareholding Cap**"), shall require the prior written consent of Promoter 1.
- (g) If any Equity Securities in a New Issuance remain unallocated for issuance following completion of the procedure specified in Article 204(a) to (f) above, (the "**Unallocated Issuance Securities**"), then the Company may issue and allot such Unallocated Issuance Securities to the Subscriber at the same price and on the terms and conditions as set out in the Pre-emptive Notice; provided however, that (i) in such event, the Company shall issue the Unallocated Issuance Securities to such Subscriber within a period of 120 (one hundred and twenty) days from the date of the Pre-emptive Notice, and any issuances by the Company after such period shall be made only after following the procedure set out in this Article 204 again in full; and (ii) the Subscriber shall (if not already a Party to the Agreement) execute a Deed of Adherence.
- (h) The Parties agree that there exists no commitment by the Investors to further capitalize the Company in any respect (including under this Article 204) or to provide finance to the Company in the form of, inter alia, guarantees and loans. For avoidance of doubt it is stated herein that in the event that any or all of the Investors or Founder Promoter Family exercise their right under this Article 204, then the Company shall be obliged to issue the Issuance Securities to the relevant Investors or Founder Promoter Family only upon payment of the relevant Issuance Price.
- (i) The Company confirms that it shall in no event issue any Equity Securities of any type or class to any Person unless the Company has offered the Equity Securities to the Investors and/or their respective Affiliates (as the case may be) and the Founder Promoter Family in accordance with the provisions of this Article 204. Further if the Company fails to complete the New Issuance within 120 (one hundred and twenty) days from the date of the Pre-emptive Notice, then the Company's right to make the New Issuance shall lapse and the provisions of this Article 204 shall apply for any future issuance of Equity Securities and/ or preference shares by the Company to any other Person.

205. **Anti-Dilution Protection:**

The Company and the Founder Promoter Family agree that in the event of a Down-round, each AD Investor shall be entitled to a broad based weighted average anti-dilution protection in accordance with the formula set forth under Article 208 with respect to the Equity Shares held by such Investor that were acquired (whether by primary subscription or by a Specified Secondary Acquisition) at a price higher than the Down-round Price. In such an event, the Company and the Founder Promoter Family shall forthwith take necessary steps to give effect to the broad based weighted

average anti-dilution protection of each AD Investor by (a) the Company undertaking a fresh issuance of additional Equity Securities to the AD Investor at the lowest permissible price under Applicable Law (including by way of a rights issue), or (b) implement an alternate mechanism permissible under Applicable Laws, such that the AD Investor is issued the additional Equity Shares arising from Article 208. However, the Parties hereby agree and acknowledge that to give effect to any such mechanisms, there shall at no point of time, be a Transfer of Equity Securities required by any of the Founder Promoter Family.

206. The pre-emptive and anti-dilution rights set out in Articles 204 to 207 shall not apply to: the issuance of any Equity Securities pursuant to: (a) the conversion of any Equity Securities; (b) a bonus issuance or a consolidation or sub-division of an entire class of Equity Securities, which is approved in accordance with these Articles; (c) any employee stock option or similar plan which is approved by the Board (d) pursuant to an IPO; or (e) any stock split, stock dividend, reclassification or reorganization or similar event with respect to the Equity Shares (each an “**Excluded Issuance**”). In addition, the pre-emptive rights set out in Articles 204 to 207 shall not apply to any issuance of Equity Shares to an AD Investor under Article 205.

207. Notwithstanding anything to the contrary contained under the Transaction Documents, each of the Investors shall be entitled to nominate any of their respective Affiliates (subject to such Affiliate not being a Restricted Person or a Competitor), at their sole discretion, to acquire/hold the Equity Securities pursuant to the provisions of Articles 204 to 207.

208. **Anti-Dilution Mechanism**

Additional Shares = $(AA / NP) - \text{Series X Shares}$

Series X Shares = Equity Securities acquired by an AD Investor in a round of financing or a Specified Secondary Acquisition that was above the Down-round Price

AA = The aggregate investment made by an AD Investor to acquire Series X Shares

NP = $OP * ((CSO + CSP) / (CSO + CSAP))$

Where:

NP = New Price

OP = The per share price at which the AD Investor subscribed to / acquired the relevant Series X Shares

CSO = the aggregate of Equity Securities outstanding immediately prior to the Down-round reckoned on a Fully Diluted Basis

CSP = the consideration received by the Company in the Down-round, divided by OP (i.e. “what the incoming Investor should have bought for its aggregate consideration at OP”)

CSAP = Number of Equity Securities (on a Fully Diluted Basis) actually issued in the Down-round (i.e., “what the incoming Investor actually bought at the Down-round Price”)

It is clarified that if an AD Investor has acquired Equity Securities at different prices in different series of financing in the Company / different Specified Secondary Acquisitions, then the above formula shall be applied severally to each such series of Equity Securities. As a result, references to AA, NP, OP and Series X Shares shall be construed and applied in the context of each such series of Equity Securities held by an AD Investor.

For the avoidance of doubt, the Perpetual Rights of any Investor and the rights of TVS under Clause 3.2(a) of the TVS DOA (and corresponding provisions in these Articles) shall not terminate for as long as any Investor and/ or TVS (as the case may be) holds any Equity Securities. It is hereby clarified that survival of any rights of an Investor shall at all times be construed to include corresponding obligations of the Founder Promoter Family towards such Investor in connection with such rights.
